

The Diocese of Fond du Lac

The Rt. Rev. Russell E. Jacobus, Bishop

Application for Marriage Judgment

Dear Applicant:

This form is a request for permission to have a marriage solemnized in an Episcopal Church in the Diocese of Fond du Lac where one party or both have had a former marriage dissolved by a civil court.

When you ask to be married in the Church, you are inviting the Church to be a partner in this marriage. We assume from this invitation that you feel the Christian community will be an essential part of your life together. The Church and its fellowship of faith can be a wonderful support for any marriage relationship, and we hope that as you look at your life together, the Church will play an important role in it.

The Canons of the Church are very clear about remarriage in the Church. At least one of the couple must be an actively involved member of a local Episcopal congregation (this means attending worship consistently for at least six months prior to filing this application), that any support for a former spouse or child(ren) from the previous marriage must be up to date and shall continue (alimony payments or child support), that the clergy shall instruct the couple on the Church's understanding of Christian marriage, and that this request shall be filled out in consultation with the clergy who has been asked to solemnize the marriage. This request must be in the hands of the Bishop not later than 60 days prior to the proposed marriage, and no date for the marriage shall be announced (orally or in writing) until written permission for the marriage to take place has been received.
